

LYNGROVE

Wines and Vineyards
STELLENBOSCH · SOUTH AFRICA

BAG IN BOX

ORIGIN: Western Cape

VARIETIES: 100% Pinotage

VINEYARD: The vineyards from which the Lyngrove Pinotage wines are made are situated in five different locations. These locations were identified as being the perfect terroir for producing top quality Pinotage.

HARVEST AND VINIFICATION:

All the grapes were handpicked at optimum ripeness with each vineyard contributing different characteristics to the final blend. To create this soft, fruity and approachable pinotage,

tannin extraction was carefully managed and the skins pressed before dryness. Alcoholic and malolactic fermentation was completed in stainless steel.

Specific tanks were then selected to undergo wood maturation for approximately 4-5 months. Once the desired wood extraction was obtained, the final blend was composed by blending the fruit and wood components.

TASTING NOTES: A fruit driven wine with dominating aromas of mulberry and strawberry with subtle underlying oak spice nuances. The pallet has soft well-integrated tannins that combine with a lingering finish of cherry tobacco and Turkish delight.

SERVING: Excellent with any red meat dishes, especially with beef or ostrich fillet, or enjoy a glass with some good Italian pizza or pasta.

ANALYSIS:

Alc: 14%
RS: 4.5g/l
TA: 5.2 g/L
PH: 3.6

BARCODE: 6009638240783
